**Second Quarter** Name:

# The Lord Alford Book Challenge

It's time to tackle the next book challenge! Your goal is to earn points based on the number and type of books you read. Some will not survive. Each book you read will go into one category (you pick the one it best matches and gives you the most points). You may NOT use a book you read last quarter. If there is a bonus option for that book, check the box and attach the bonus sheet to this sheet before handing the paper in. **This will count as a major test grade** (equal to three vocabulary tests). You may earn up to 115 points on this assignment. Those of you who are more daring may ask, what if I earn more? Well, in that case, here is how to earn extra credit for the surplus points: If you earn 125 points, you will get an extra triple daily grade. If you earn 150 points, you will get the triple daily grade AND a double quiz grade.
