

Paraphrasing Practice C
"Orion, Lord of the Sky"

Name:

Read the article, "Orion, Lord of the Sky," by Tony Flanders. Assume you are reading this article to find information on the mythology of different cultures associated with the constellation Orion. Read the article closely and find 4 pieces of information that could be useful in your paper. The information will probably be one to two sentences, but may go as many as three. Write the original material then

paraphrase that information in the space below.
